

# A Special Adoption Ornament Offer

Porcelain Adoption Ornament for \$22 (including tax and shipping)!!

## Our Story

Our company, CoZzzy Comfy, started when owner, Christy Tyldesley and her husband, Mike, hosted a fundraiser on behalf of their local foster agency. This organization helped to facilitate the adoption of their three wonderful children. Since that time, our company has been working with various non-profits to help them earn money to help meet their financial goals.

In celebration of our 5-year anniversary, we are returning to where our story began. CoZzzy Comfy is embracing an effort to raise money for organizations across the country that help put families together.
