THE BEST WAY TO FIND YOURSELF ...

IS TO LOSE YOURSELF IN THE
SERVICE OF OTHERS.

Cyber Village Academy
Community and Service Fair
June 8, 2016

Goals:
- **To become active members of the community.**
- **To document and present community service information, activities, and experiences.**
- **To reflect on community service activities.**

On Wednesday, June 8, 2016 we will present our eigth annual Community and Service Fair in the village. You have been talking about the fair during advisory this year. The fair is the time for you to show what you've done during the past school year to make your school community, your home community, and the world at large a better place.

This is a project that you are going to manage yourself. Some of you have now had experience doing a Science Fair project and a History Day or Project Citizen project. With this project you should display images, text, and information of yourself serving your community.

Your project needs to include:
- background information about organizations you've been involved with this year
  - this can include actual brochures, pamphlets, fliers, etc. but should also include you "pulling out" the important information you want to highlight
- what you did to serve the community
  - this should include descriptions of activities and pictures with captions
- reflections on your experience
  - this should include pieces from your journal that you want to highlight

Be sure that you check your spelling and grammar – except for including complete brochures, pamphlets, etc, this should be in your own words.

You will also need to bring along ALL your journal entries. You should order them either chronologically or by the organizations you spent time helping. Please corner staple these, put in a 3-ring binder, or organize in a folder.

You can choose how to present your Community and Service project; some options would be a tri-fold board, a powerpoint, or a booklet. You MUST get your method of presentation approved by your advisor.

Your advisor will fill out a feedback form for you on the day of the fair. A copy of the feedback form can be found on the next page.
