Silent Auction Guidelines

1. Desserts will be placed on tables near the entry. Please have them set out prior to the beginning of the talent show.
2. You are to wander around (socialize), **feasting** your eyes on the **scrumptious** desserts that are up for bid, signing your name and dollar amount to any and all that make your **mouth water**.
3. Make sure to go back to double (and triple) check your favorites to be sure that no one out-bids you!
4. At the end of the allotted auction time (intermission), all bids will cease.
5. Immediately following the intermission, winners of the delicious desserts will be announced. Payment is needed at this time.
