

Dick and Joy Hammond

Joy hails from Camden N.J. but went to Notre Dame School for Girls in Miami, FL. Dick is from Miami, but went slightly north for his education; two years at University of Florida, then four years Naval Academy class of 1960 and later at the Naval Post graduate school and George Washington U. in Management. Dick went into Naval Aviation and served on three large aircraft carriers in many parts of the world.

Meanwhile, going back a bit, Joy and Dick met at a dance in El Portal, FL two weeks before Dick went to the Naval Academy. This year they celebrate 56 years. Congratulations! Early in their marriage, Joy had fun traveling with other wives to meet the ship in various ports in the Mediterranean. She also visited Hong Kong and Japan.

The Hamon's have a son and a daughter. Michael is an 18-Wheeler operator who is on the road a lot and Janet lives in Centerville VA. Between the two, they have five boys and one girl and there are two great grandchildren, a boy and a girl and one more expected soon. The Hamon's moved here from Pinehurst, NC. There Dick and Joy enjoyed their home and Dick spent his time managing his own real estate. He said his hobbies include financial management, mostly personal and close family. Joy enjoys lots of things like bridge, mahjong, knitting, sewing, walking and wine. She's in the right place! Please help them feel at home here.
