Mission and Outreach Survey

We currently support missionaries in Haiti, Ecuador, Russia and Ghana. The Mission and Outreach Committee (M&O) is looking to add another missionary for our church to support. **They would like YOUR input on this important decision.**

Please spend a little time to share your preferences on this survey, considering where you would like the church to put its financial strength in mission to spread the Word and do the Word.

*If you would like help choosing, more information is available at the Presbyterian Mission website:
www.presbyterianmission.org/ministries/missionconnections/find-mission-worker*

Categories for you to consider are areas of the world as well as specific efforts of Presbyterian Church (USA) missionaries.

- Rank your top three choices, 1: most favored, 2: favored, 3: ahhh, a little less favored.
- Please **pick only three out of the entire list** to make it easier for M&O to find a new missionary.
- When done, please slip your ballot into the collection plate, return to the church office, or e-mail your choices by July 1 to Bill Fisher at fisherwf@miamioh.edu.
