Sixth Annual

# Golf & Shoot

**Saturday July 30, 2016**

**Hon-E-Kor Golf Course**  
Golf/Dinner

**Wild Wings Sportsmans Club**  
Sporting Clays

## Hello Warrior Football Fans,

**The Warrior Gridiron Club** (WGC) will be holding our **6th Annual Golf & Shoot** on Saturday, July 30th. We expect another outstanding event this year! You have the option to play golf or sporting clays (often described as "golf with a shotgun") and enjoy an entertaining evening with friends of Warrior Football, including dinner and a live and silent auction.

Your support of the **6th Annual Golf & Shoot** helps promote a strong and unified youth and high school football program at Ozaukee. Proceeds from this year's event will support adding a 3rd level to the press box, and purchasing new tackling equipment for youth and high school. Last year you helped us expand our weight room, and fund our side-line video replay system, as well as other technology investments. Thank you for your commitment to build a strong future for Ozaukee Football!

Over the last six years we have improved our record to 45-16, made it to playoffs every year, and our senior class is poised to be the winningest class in Ozaukee history! We believe the best is yet to come - we have our sights set on a Big East Conference Championship and going deep into playoffs.

We anticipate a very successful and well attended event and a very exciting football season. We invite you to visit our website [ozaukeefootball.com](http://ozaukeefootball.com) to learn more about our programs, news, schedule and events.

**Thank you** in advance for your support of a great event and an outstanding season.

**Jim Lippe**

Head Football Coach Ozaukee Warriors

**Kevin Klas**

Director Ozaukee Youth Football

**With your help**, the Warrior Gridiron Club supports our football programs with upgraded equipment, "ImPACT" concussion safety and management program, "HUDL" film analysis software, communication tools, special events, end of year football banquet, and more. Your support keeps our program safe, strong, and highly competitive.
