

2016 Week of Welcome (WOW) Volunteer Sign-Up Sheet

Greetings from The Office of Student Life!

We are just a few weeks away from welcoming our new and returning students back to campus! Our annual tradition, Week of Welcome (WOW), is August 12-20, 2016. WOW takes place at the start of each semester and is packed with social, educational, and informational programs that will allow students the opportunity to interact with other UAH students, faculty, and staff.

The Office of Student Life would like to invite ALL faculty and staff members to join in this campus tradition by signing up to volunteer during some of our larger events! It will take over 100 volunteers to ensure a successful week of activities for our students. If interested, please sign up to volunteer [here](#). Remember to complete the volunteer sheet with your name, email, and t-shirt size, THEN select the events you are able to volunteer for (the more the better)! You will receive a follow-up email prior to your event with additional directions and information. Remember to wear your Charger Blue and name tag during each event.
