Take advantage of these wonderful opportunities to ensure you are well prepared for your retirement years!

What is RSA-1?

- ◆ It's a **voluntary** 457 deferred compensation plan designed to help you supplement your retirement.
- ◆ You can defer a portion of your salary for a later date so you can lower your taxable income and reduce the amount of taxes you pay.
- ◆ RSA will invest your money with all the earnings held in your account until they are distributed to you after termination of your employment. Earnings are also only taxed at distribution.

Whether your retirement is a long way off or coming up fast, the sooner you start RSA-1, the better!
