

Esperanza

Check me out! My name is Esperanza and I am approximately 3 years old and I am a magnificent Terrier mix. I can tell you that I love dogs and snuggle with my canine foster sibling all the time, of course that is when we are not exploring the world or too busy playing. I love to play with my foster family, they are great they give me lots of lovin, which I can't get enough of. I am special needs, it absolutely does not slow me down but will need a forever home without a lot of stairs.

Kodiak Adorable boy looking for my forever home, have you seen them? My name is Kodiak and I am a Pit Bull Terrier who is at the prime of my life at 3.5 years old. I should mention that I am extremely loyal and will never leave your side, for better or for worse is my motto. I love people especially those who like to play or walk me and who love to receive unlimited kisses. I do prefer to be the only pet in the home since, one is all you need and that's Me!

Jax I am still waiting for my forever home! Let me introduce myself, my name is Jax and I am 6 years old and I think I am an Australian Cattle Dog Shepherd mix. I am super silly, adore snuggles and kisses, love to play and go for walks, Oh did I mention that I am very obedient. I would love a home with a female canine sibling or I could be the only dog, either way I can't wait to meet my new people who will love me for the rest of my life.

Do not let my age fool you, I love to have fun. I love to go for walk, get belly rubs, snuggle with my people and have perfect house manners. I do need to be the only pet in my new home, but honestly I am all you need.
