DEar Daniels Family,

My name is Rudy. I visited Normandy Farms on May 16 with my friend Anne from PAWS New England. She was hoping to find a new family for me. A lot of nice people stopped to pet me. One lady even took this picture of me. Her name was TRacy...

This is me and TRacy at my foster home on June 5th, the day she adopted me. She's a great Mom who takes me for walks and gives me treats. I also have a new dad who lets me sit on the couch with him and watch TV.

These are my new brothers, Jack and Ben. They love to play ball with me in the yard and even let me sleep on their beds. I also have two new cats. They're... ok, I guess.

I'll be coming back to Normandy Farms in October for Halloween weekend, but this time I'll be coming with the Carifas, my forever family. Thank you for helping them find me. We're so happy together!

Sincerely yours,

Rudy Vallee
