

FANNY

Well Hello Everyone! My name is Fanny and I a total knock out! I am a 5 year old Miniature Min Pin and I must say my red coat matches my stunning personality. I get along great with cats, dogs and people of all ages. I am very low key and my favorite thing is to sit on the couch and snuggle with my foster family. I am looking for a forever home that can worship and adore me, as I so deserve.

PRESLEY

My name is Presley and I am still waiting for my forever home, not sure why because I am the total package. I am a Pit Bull Boxer mix who is just beginning to understand the meaning of life at just 3 years old, I am so smart. I love to play and try not to take life too seriously because after all life is too short not to have a good time. I can be a little bossy so if my forever home has a canine sibling it must be low key/submissive or I can rule the roost all by myself.

KINDRED

Hello my name is Kindred and I am about 1.5 years old and honestly have your seem a better looking American Bull dog mix. I am a totally fun girl who loves to play with my canine foster siblings, I also play very well with toys by myself. I love to go for walks and explore the neighborhood. I would love a forever home that can continue my training and give me the exercise and love I deserve, trust me when I say my new family and me are going to have a life time of love and fun.

ABIGAIL

My name is Abigail and I am the sweetest senior of all time. I am very laid back and enjoy the finer things in life. I do well with non-dominant dogs and I am currently living with 6 canine foster siblings. I do enjoy romping around the back yard then some quiet time, and of course I love spending time with my foster people. I would love a forever home where I can be loved and in return I will love you unconditionally.

SCUFFLES

Hey everyone, my name is Scuffles and I am a 12 year old adorable Schnauzer Terrier mix. I am pretty calm guy but I have my moments of fun time as well, I am a total package if I do say so myself. I love to go for walks and meeting new people, everyone says what excellent leash manners I have. I get along with other dogs and I am being fostered with 6 canine siblings, sometimes they bug me but that's life with siblings. I would love a foster home with either another calm canine or even better with my life long companion Abigail (we were surrendered together), I also wouldn't mind being the only dog and the center of my people's attention.
