

FREE Tdap (Whooping Cough) Vaccine

WHO: Kenton County Schools staff, family, friends and any child 10 years old or older who has not received a Tdap vaccine. *Note:* A parent or guardian will have to be present for any child younger than 18 years old to receive the vaccine

WHEN March 29, 2016, 3:00-6:00 PM

WHERE: Simon Kenton High School

SIGN UP: www.SignUpGenius.com/go/30E0B45AFAE2DA6F94-tdap2

Please sign up. Quantities will be limited.

WHY: Cases of whooping cough, also called pertussis, have been reported in Kenton County and surrounding areas. Vaccination is one way to help stop the spread of the disease, and protect those who are at risk for infection.

MORE INFO: For questions about the vaccination clinic, contact Nicole Tomlin, RN, at 859.431.3345, Ext. 2601

For information about Pertussis and the Tdap vaccine please visit: www.nkyhealth.org/Whooping-Cough-Vaccine.aspx

For questions about diagnosed cases, contact Emmanuel Oga, 859.363.2066
