

Thoughts from The Chair

The flowers are in bloom, the grass is green and beautifully manicured, the potted plants that are placed on Farmington Avenue and spotted on other corners of Asylum Hill has helped to create a lovely landscape and a peaceful presence in our neighborhood.

Thank you home owners, apartment owners, businesses, schools, organizations, and corporations for your help and efforts to make our neighborhood a beautiful and good place to live.

My Mom often said, "it's good to look good and it's better than good to be good." Looking good is attainable and effortless for many of us, but it takes great effort and commitment to oneself and to goodness to actually be good. Let us continue to commit ourselves to the value of goodness by striving to keep our community looking good and keeping our commitment to ourselves to being good.

Have a wonderful, safe and peaceful month.

Blessings.
