HELP REBUILD A BETTER I-84 IN HARTFORD!

We want to hear from you!

Join the Asylum Hill Neighborhood Association as it welcomes the I-84 Hartford Project team to discuss their plans to rebuild nearly two miles of the highway and many of the surrounding streets in Hartford. We want to hear how YOU think I-84 can be a better neighbor and travel partner, as well as what changes you would like to see in our neighborhood.

We will be at **Grace Lutheran Church** at **46 Woodland Street** in **Hartford** on **Monday, April 11th** (5:30 - 7 PM). There will be a presentation on the alternatives being considered followed by a question and answer period. There will be drawings of what the city could look like if I-84 is rebuilt as bridges, a lowered highway, or a tunnel. This is a unique opportunity to share your ideas on the future highway, roadway connections, and economic development in Hartford.

We look forward to seeing you!

Monday, April 11th, 5:30 - 7 PM, Grace Lutheran Church, 46 Woodland Street, Hartford
