Dear CCA Board,

You will find two bids in this Communique for the 2019 National Specialty with a short lead in for each from our committee. These are two solid bids from two groups that have attention to detail and great desire to host a National specialty. It is unfortunate for all of us that we can't do two in one year! You will have your work cut out for you! If you have any questions please contact us and we will do our best to answer!
