

Moshe Peretz - My Brother

My Brother, my dear friend, keeps my secrets in the dark
My heart, your heart, we beat to the same pulse
Everything that we've been through, only the two of us can tell
You are my brother. You are my best friend
We have the same blood in our veins
You walk with me everywhere, and you never leave me
I dream of a life with you
and your songs are stored forever, with me, in my heart.

I love you. I love you so much
I love you. I love you so much

My Brother, my dear friend; I thought of you today.
Where are you? If you're able, give me a hug
Come by tonight. We'll sit, we'll laugh, we'll talk
You are my brother. You are my best friend.
We have the same blood in our veins
You walk with me everywhere, and you never leave me
I dream of a life with you
and your songs are stored forever, with me, in my heart.

I love you. I love you so much
I love you. I love you so much

We are the same blood
We go everywhere together. That will never leave us.
The dreams of our youth,
your songs are stored forever, forever in my heart.

I love you. I love you so much
