

“Chatham By the Sea Raffle” and “Books in Bloom”

by Carol Garey, FEPL Ways and Means Chairman

While most of us spent the winter shoveling snow or traveling off to warmer climates the raffle committee was busy at work preparing for The Friends of The Eldredge Public Library’s bi-annual raffle, “Chatham by the Sea.” Kassie Foss once again offered her artistic talents and has done pen and ink sketches of the 9 fabulous raffle items – many new to the raffle this year. Watch your mailbox for the raffle brochure and six raffle tickets during the first week in June.

The raffle is the Friends’ major fund raising event and helps to support the children and teen programs as well as the adult lecture series, authors, technology and many other wonderful programs that would not be possible without the support of those who contribute to the raffle. Tickets will once again be \$10 each or 3 for \$25. Tickets will be available at the Library through August 21.

The drawing for the raffle winners will take place during our “Books in Bloom” event which will be held in the Library on August 22 from 5:30 – 7:30 pm. “Books in Bloom” will feature twelve local designers who will interpret a book of their choosing in a floral arrangement. The event is open to the public for a fee of \$10 at the door. There will be refreshments, entertainment and a cash bar. Raffle winners need not be present, but I am sure many of you will want to attend this entertaining evening.

See below for a sneak peak at all the fabulous prizes you could win!

Dear Friend of the Eldredge Public Library,

Our library is one of the Cape's busiest and best libraries of its size in Massachusetts. Residents and summer visitors alike use computers, access our wireless connections, scan and print documents, borrow or download books and check out audio books, CDs kits and games. But we offer much more, including many activities for children, teens and adults throughout the year.

In turn, we need your help to keep Chatham's library one of the Cape's best. Please consider supporting the Eldredge Public Library by buying raffle tickets to our summer raffle "CHATHAM BY THE SEA." Prizes are on display at the library and are depicted in this brochure in beautiful pen and ink drawings by artist Kassie Foss. You can also view them all on our website, www.eldredgelibrary.org. Raffle tickets will be for sale outside the library on weekends and at any time at the front desk in the library.

Our library receives only 60% of its annual operating budget from the Town of Chatham. The rest must be raised through generous donations from our residents and visitors. For only \$10.00 a ticket, or 3 for \$25.00, you can help support children and youth programs, technology, the learning series and the many other extraordinary services our library offers to us all.

Thank you, we appreciate your support.

Winners will be drawn at "Books in Bloom" at the library on August 22. All are welcome!

Sincerely,

The Friends of the Eldredge Public Library
