As you ready yourself for the coming national championships held in Kissimmee at the end of the year, make sure you are not only armed with your shoulder pads and cleats but that you have also armed yourself with knowledge of the destination with the new Experience Kissimmee Destination Magazine.

This new 68-page magazine is here to educate and inspire you to plan your next adventure in the sunny destination. Order a [copy](#) to enjoy today or see a digital version of the magazine now at <http://bit.ly/ExpKissMag>.

The glossy publication showcases everything that's great about Kissimmee—one day you're standing by of one of the most majestic castles in the world and a day later you're kayaking under the shade of tall cypress trees. Here is a preview of what you can find in the magazine:

- 1) **Learn insider tips from locals:** Meet the friendly nature guides who spend their lives sharing their passion with visitors! Take a step into the past at Medieval Times Dinner & Tournaments and learn how Kevin Logan, a 10-year-veteran of the attraction, went from photographer to gallant knight or get up-close and hands-on with gators alongside Tim Williams, the “dean of gator wrestling” at Gatorland.
- 2) **What's new in the theme parks:** There's no end to the fun and excitement that can be had at the area's theme parks, both day and night. Where else can you soar over a wizarding school, narrowly miss becoming dragon bait, meet a princess and blast off into space? A day at a theme park is central to Kissimmee vacations, leaving you with memories for years to come.
- 3) **Top nature experiences:** Beautiful, pristine landscapes and majestic wildlife lie just minutes away from the bustling theme parks and a little downtime goes a long way in Kissimmee's natural landscapes. With attractions like airboating at Wild Florida, ziplining at Forever Florida, kayaking at The Paddling Center at Shingle Creek or hiking through The Nature Conservancy's Disney Wilderness Preserve you have no excuse to stay indoors during your stay.
- 4) **Tips for the smart traveler:** No matter what time of year you visit, it is recommended that you always wear sunscreen and protect your skin when enjoying the Florida sun. Other tips include staying hydrated, check height-restrictions for theme park rides, wear comfortable shoes and plan head to make the most of your trip.
