### ~ Osoyoos Desert Centre ~

The Osoyoos Desert Centre is a 67-acre nature interpretive facility operated by the Osoyoos Desert Society. The Centre features an exhibit area with interactive displays, a native plant demonstration garden, and a 1.5 km boardwalk trail. Visitors are invited to explore Canada's desert by taking a guided or self-guided tour along the elevated boardwalk. The Desert Centre, located 3 km north of Osoyoos off Highway 97, is open annually from April through October.
