# Okanagan Agricultural Adaptation Strategies

## *Partnering for Agricultural Resilience*

### What:

A workshop for producers focused on assessing potential climate change impacts for agricultural production systems in the Okanagan Valley. A second workshop (in early February) will develop a set of strategies and actions to strengthen agricultural resilience in a changing climate.

### Why:

- To share your knowledge and experience
- To provide input into regional agricultural adaptation strategies
- To learn more about climate change impacts to agriculture in the region

### When:

**Penticton:**  
Wednesday →  
December 2nd, 2015  
9 am to 2pm

*Or*

**Vernon:**  
Thursday →  
December 3rd, 2015  
9 am to 2pm

### Where:

The Penticton Lakeside Resort  
21 Lakeshore Drive West  
Penticton, B.C.

Vernon Golf & Country Club  
800 Kalamalka Lake Rd  
Vernon, BC

(Registration opens at 8:30 am. Morning coffee, baked goods and lunch provided at both workshops)
