NSCLC: UPDATE ON ANTIANGIOGENIC AGENTS AND OTHER MOLECULAR TARGETED THERAPIES

SATURDAY, MARCH 5, 2016
8:00 a.m. – 4:30 p.m.

Condado Plaza Hotel Hilton
Credits 6 Category 1

OBJECTIVES
At the end of this educational activity, the audience should be able to:

- Critically analyze clinical trial data for the use of existing and emerging antiangiogenic agents and other molecular targeted therapies agents for advance NSCLC.
- Understand the indications for surgery and the factors influencing the choice of surgical techniques for NSCLC.
- Understand the indications for radiotherapy in NSCLC as well as current concepts on both target and normal tissues influencing the technique and design of the radiotherapy for these cancers.
- Recognize new chemotherapeutic agents and regimens effective against in NSCLC, understand their mechanism of action and how they are being integrated in the multidisciplinary treatment of these cancers.

INTENDED AUDIENCE
This educational activity has been designed for pneumologists, internists, medical oncologists, radiation oncologists, pathologists, surgeons among others.

CREDIT DESIGNATION
Ponce School of Medicine & Health Sciences designates this educational activity for a maximum of 6 AMA PRA Category 1 Credits. Physicians should only claim credits commensurate with the extent of their participation in the activity.

ACCREDITATION STATEMENT
This activity has been planned and implemented in accordance with the Essentials Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME), through the Ponce School of Medicine & Health Sciences is accredited by the ACCME, provider’s No. 0007249, to provide continuing medical education for physicians. Ponce School of Medicine & Health Sciences is accredited by Puerto Rico Board of Medical Licensure and Discipline, provider’s No. O16-DC17-JLDM.

FACULTY
Victor Carlo, MD-Pathologist
José Sobrino, MD-Oncologist
José Montalvo, MD-Thoracic Surgeon
Roberto Santiago, MD-Radiation Oncologist

REGISTRATION
For registration, please contact Feliciano Communications to:

(787) 964-6394
feliciano@felicianocomm.com

The activity is $65.00 for physicians before February 29, $85.00 after or in the event.

Space is limited.

Supported by an educational grant from:

Lilly
Bristol-Myers Squibb
