

Greetings,

When was the last time you were on campus? It never ceases to amaze me how much it has evolved since my time as a student. Come see for yourself! I think you will be pleased.

This May marks my 25th Reunion, and I look forward to seeing my classmates from the Class of 1990. We all have so much to share with each other, which is true for you and your classmates. Come share what you have been doing and discover what others are doing. Come learn about the changes in medicine and how these changes are impacting medical student experience. Come hear directly from faculty and current medical students and experience current educational technologies and innovative curricula. Come for the venue — The Taj Boston is a gem of a spot. Come for the dancing!

Aside from Reunion dinners, we offer a variety of weekend activities. Chief Medical Officer of the US Office of Personnel Management **Christine Hunter '80**, Chief Medical Officer, United States Office of Personnel Management will deliver Alumni Grand Rounds, "Live Long and Prosper: Reflections on a Fourth Aim in Healthcare." **James Brust MED '68** will bring you way back with his entertaining and educational "Extraordinary Early History of BUSM."

K. Sophia Dyer MED '93, Medical Director of Boston Emergency Medical Services and Associate Director of Boston MedFlight will receive a Distinguished Alumna Award for her extraordinary career in emergency medicine, including her work as Co-Medical Director of the Boston Marathon.

Your reunion time is a wise investment in your personal life and professional life. And we would love to see you! Your Reunion gift is a wise investment in the future of our beloved medical school and the students and future physicians who walk the halls as we did.

I look forward to seeing you in May!

Warm regards,

Jean E. Ramsey, MD '90, MPH '08
Associate Dean for Alumni Affairs

We look forward to seeing you!

Celebrate
