### MONTEREY CHARDONNAY FROM BERNARDUS WINERY, CENTRAL COAST

Bernardus Winery assembled this Monterey Chardonnay from specially selected growers primarily in the arroyo Seco and Santa Lucia Highlands appellations. Each of these contributes unique aromas and flavors which complement each other to create a chardonnay of extraordinary character and finesse.

At harvest, Bernardus hand-picks the grapes after careful evaluation for ripeness. The grapes are then very gently pressed in order to obtain the highest quality juice. This is then transferred to small French oak barrels for fermentation. All barrels undergo a malo-lactic fermentation and are hand-stirred every two weeks until shortly before blending and bottling.

The 2008 is a perfect expression of Monterey Chardonnay with bright aromas of apple, candied lemon and honeysuckle accented by notes of fresh butter and caramel. The palate is rich and very smooth, exhibiting lush flavors of ripe tropical fruits finishing with beautiful notes of vanilla, crème brûlée and spice. This wonderful Chardonnay received a Wine Spectator rating of 92.
