

## **General Dentist Full Time - Familia Dental**

See below for Available positions\*

Are you looking for a new opportunity to be a part of a successful and growing organization where you can grow professionally and thrive in your field? Familia Dental has great opportunities for General Dentist positions. This is a highly sought after and well-respected position. You will be part of an organization that supports our dentists. We offer clinical support with direct one-on-one mentorship. You can concentrate on your area of expertise while others manage patient administrative paperwork and office staffing. We provide excellent assistance by recruiting and hiring ample staff for the reception area and more importantly dental assisting staff. Familia Dental does its best to assign your recommended dental assistant to you for patient procedures. Not only do you have the freedom to focus on clinical side of dentistry but you have control over treatment plans. You have a fantastic chance to practice in a state of the art dental office that is on the cutting edge of technology. With paperless and electronic records and digital x-rays you will never have to worry about cumbersome patient records.

Familia Dental offers the best in patient care to underserved communities and we are truly family focused. At Familia Dental it's not just being part of company, it's being part of a family. We strive to have our Dentist make a difference in the lives of our patients by going above and beyond their expectations. As a Dentist you will have the opportunity of a lifetime to impact the community and make a real difference.
