Our regional council has a BBF Direct Service Grant subcommittee which developed the plan for the use of our 2016 Direct Service grant funds. Sandy Stark, who is responsible for most of the activities planned for this grant, finalized the BBF Direct Services application and presented it, along with the rest of the DS Grant committee, at our last Building Bright Futures Regional Council meeting on June 10, 2015. It was passed unanimously. The BBFDS grant subcommittee will continue to be an integral part of monitoring BBFDS activities and results and reporting them to the whole regional council.
