

Getting Around on VTA Super Bowl Week

Whether you’re headed to work or to the action, VTA can get you there!

Getting Around Town:

Hundreds of thousands of fans and guests are expected to attend the scores of parties and events happening throughout the Bay Area which will impact roads and public transportation. VTA light rail and bus service will be altered throughout the week, so prior to traveling it is important that you “Know Before You Go!”

Minor Service Changes February 1-5

VTA will be operating regular weekday light rail service. On Friday the Mountain View – Winchester line will operate every 15 minutes all day. VTA Bus Line 10 will operate every 15 minutes during evening hours on Thursday and Friday.

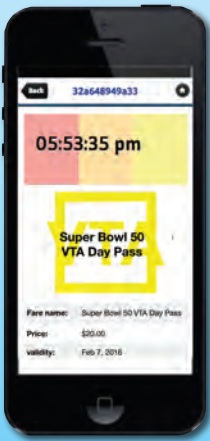

Moderate Service Changes February 6

The Mountain View – Winchester line will operate every 15 minutes all day. Alternate bus service will be available for passengers traveling between the Lick Mill and Great America light rail stations near Levi’s® Stadium. Passengers traveling to Levi’s Stadium must disembark at the Tasman Light Rail Station and board the bus bridge to Old Ironsides. VTA Bus Line 10 will operate every 15 minutes all day and evening.

Major Service Changes February 7

The entire VTA Light Rail system will be reconfigured and rescheduled to accommodate passengers traveling to and from Levi’s Stadium. Mountain View – Winchester line: Passengers not traveling to Levi’s Stadium will use alternate bus bridge service between the Mountain View and Baypointe stations. Extra service will be provided on VTA Bus Lines 10, 55, 57 and 60. Express Bus Line 251 will operate between Levi’s Stadium and Fremont BART.
