SPLISH 'N' SPLASH

You and your guests have an hour to swim and play games in one half of the Dwares JCC indoor pool. Your party will be supervised by a staff member and a certified lifeguard.

For safety reasons, any child who is a non-swimmer or needs to wear a flotation device must be accompanied by an adult while in the pool. Pool time is only available on weekends and is limited to 15 swimmers. Blow up floats and toys are also available to use.

ARTS & CRAFTS

It's time to get crafty! Our party host will help the children create their own masterpiece.

The birthday boy or birthday girl chooses the theme, and we will provide craft supplies and direction. Crafts options include; tie-dye, jewelry making, scrap booking/photo albums, mask creations, or pottery.

SPORTS

Is the birthday boy or birthday girl a sports lover? This party is for them! Whether it is a team sport or a non-competitive sports activity they are interested in, we can organize fun games for your child and their friends. Relay races, kickball, basketball, soccer, and volleyball are only some of the offerings we have for your party. Half of our full-size basketball gym will be reserved for your party.

CREATE YOUR OWN

If there is a theme you had in mind, let us know and we will plan a party around it. Need some ideas or inspiration? In the past, we've designed parties that have included music, science, animals, movies, and cooking.

Additional costs may apply.
