

**Immaculate Conception
Cardboard City
October 11, 2013**

Imagine having no place to call home - nowhere to feel safe, nowhere to keep your things, and nowhere to take shelter from a storm.

Homelessness is a serious issue within the United States and around the world. Homelessness includes a broad spectrum of people including families with children. In these tough economic times when more and more people are losing their homes and have no place to live, we want to recognize how extremely devastating the issue of homelessness is for people and how it impacts the way they are treated. Through education, service and advocacy, we hope to promote in our community solidarity with the poor by gaining an understanding of the issues of poverty, a belief in the inherent dignity of all people, and our responsibility to uphold the common good of society.

Come join your Youth Group Adult Leaders and your fellow students for this great learning experience!
