BAE

BALLET ACADEMY EAST

Summerdance is designed to immerse children in creative activities centering on the arts. Students receive excellent ballet training and explore the wider world of dance with tap, jazz, modern, and musical theater classes. Arts and crafts, swimming, cooking, gymnastics, drama, yoga, and origami are all a part of the exciting Summerdance curriculum!

Classes are taught by instructors who are highly skilled in their field and have a special gift for teaching young children.

Inspiring and developing each child's love of dance, music and art

PERFORMING ARTS

Ballet, modern, tap and jazz focus on developing young dancers' strength, flexibility, and musicality, while instilling a love and appreciation of dance. Drama, singing and musical theater provide fun opportunities to develop each child's creative skills. Summerdance culminates with two special in-studio performances, presented at the end of weeks 4 and 8, highlighting all that the children have learned.

ARTS & CRAFTS

Summerdance students explore their unique creativity through decoupage, painting, dioramas, paper-mache, collage making, and more. Art classes take place downstairs at The Craft Studio and are overseen by their very talented and joyful staff.

COOKING

Chef Kathleen McEwan, a graduate of the French Culinary Institute and a highly sought after teacher, helps students whip up delicious, age-appropriate recipes while teaching essential cooking skills like measuring and following instructions. Our fully equipped kitchen can be found in our building's party room, located half-way around the corner, on 92nd Street.

SWIMMING

Children enjoy instructional and free swim twice weekly at The New York Sports Club, located right down the block from BAE. Certified aquatics instructors ensure that everyone is safe and happy at the pool while learning to swim.

Additional Information: Children are grouped by age. Counselors oversee each group throughout the day. Summerdance runs Monday through Thursday, for eight weeks. You may register for one of two 4-week sessions or for all 8 weeks.

Lunch and Snacks: Snacks are provided. Children can either bring lunch from home or we can arrange to have The Corner Café deliver a healthy, child-friendly lunch each day. (See insert for lunch cost and details) Kindly note, BAE is a peanut-free zone.

Early Drop-Off/Late Pick-Up: Our counselors are available to supervise the children in fun activities beginning at 8:15am until the start of the Summerdance day for groups beginning by 9:30am. For groups ending their day at 5:00pm, counselors are available until 6:00pm.
