**OPEN PARKS PROGRAM
JULY 11 – AUGUST 19, 2016**

Thanks to the generosity of our sponsor, "The Stoneham Bank", the Boys & Girls Club of Stoneham will be hosting the Open Parks Program for 2016.

The Open parks Program will be open at East School from 9:30am-11:30am and 12:30pm-3:30pm Monday through Friday weather permitting

Registrations will be accepted at the parks beginning on July 11, 2016. Registrations will only be accepted at the parks, please do not go to the Boys & Girls Club to register.

Children are welcome to register the first day they attend the parks program. Registration forms must be returned with payment by the second day a child attends. Children will not be allowed to participate in Open Park program activities more than one day without registering.

ABOUT THE OPEN PARKS PROGRAM

A Stoneham tradition for many years, the Open Parks programs is open to Stoneham residents between the ages of 7-13. Children age 6 may attend with an older sibling only. **Open Park Staff are not babysitters.** Children may come and go as they please. The staff will organize games and activities for the children and assist children in having fun. Some of the activities will include baseball, football, soccer, basketball, tenni-ball, chess checkers, board games, arts & crafts and more. The staff is not required to wait for parents to pick up children. There are no bathroom facilities available for the children, please keep this in mind if your child lives a distance from the park they are attending. It is highly recommended that children bring a water bottle to the park with them as there are no water fountains at the parks.
