

# Missions in Morocco

## Human trafficking.

Just one of the issues facing the people living in Morocco.

Rev. Louis Orsatti, Hispanic Pastor at Second Baptist in Richmond and former MDBA staff member, is taking a team over to minister to the people there. You can be involved by helping purchase items needed by the missionary that serves day in and day out. Rev. Orsatti and his team will deliver them.

Take a look at the list below. Deliver to MDBA office or call Rev. Orsatti for pick-up by **September 7**. If you have any questions, please contact Rev. Orsatti, (804) 439-9042 or [lorsatti@yahoo.com](mailto:lorsatti@yahoo.com).
