

Mark Twain Track Team

Calling all aspiring track and field athletes! If you have an interest in jogging, running, throwing and jumping, come join the school's track team. Please note:

- A limited number of spots are available. Students will be chosen based on athletic ability.
- Tryouts will be held to determine spots on the team; equal number of boys and girls if possible.
- Practices will be held Tuesdays and Fridays after school. If your child is in Extended Day, you will need to make arrangements for them to attend practice.
- Our mission is to attend at least one tournament in the Spring.
- Possible events may include 50m, 100m, 200m, 400m, 800m, 4x100 relay, softball throw and standing long jump.

All interested **3rd, 4th and 5th** Grade students, please turn in the bottom of this registration form to Coach Jody by Friday, November 20th.

YES! I would like my child to participate in the Mark Twain Track Team. I understand that selection on the team will be based on participation and performance at a tryout, to be held December 7th and/or 8th after school. If selected for the team, my child will be able to attend practice at least once a week after school on Tuesdays and/or Fridays, and I understand that participation in the Spring tournament will be dependent on academic eligibility.
