TreasureHuntingExpo.com

A complete how to guide to discovering lost treasure from the sand and water with a metal detector.

f t v + 0

Three images showing jewelry: a hand holding a gold ring with a blue stone, a collection of gold rings and chains, and a hand holding a gold ring with diamonds.

Beach and Water
Treasure Hunting
with Metal Detectors
By Capt. Daniel Berg

My friends and I have been searching for treasure and metal detecting for over 30 years. I've authored over a dozen books, hosted the 21st Week Valley cable TV series and actively walk the beach, water
