

GOT DRUGS?

Drop them off!

The U.S. Drug Enforcement Administration (DEA) and Milwaukee-area police departments are coordinating a nationwide drug “take back” event on:

April 30th, 2016

Medicines in the home are the leading cause of accidental poisoning and flushed or trashed medicines can end up polluting our waters. Rates of prescription drug abuse are alarmingly high - over half of teens abusing medications get them from a family member or friend, including from the home medicine cabinet.

Take-back programs are the first choice.

Law enforcement, public health, and environmental professionals stand united in support of take-back programs as the safest and most responsible way to dispose of unwanted and expired medications. Keep your medications from getting into the wrong hands or our waterways.

BRING:

- Prescription medications, patches, and ointments
- Over-the-counter medications, patches, and ointments
- Non-aerosol medical sprays, and vials
- Vitamins
- Pet medications

DON'T BRING:

- Illegal drugs
- Needles/sharps
- Bio-hazardous material (containing a bodily fluid)
- Inhalers
- Aerosol cans
- Personal care products
- Household waste (paint, pesticides, oil, gas)

WHERE TO BRING?
