Funds raised will support positive summer programs for youth and their families.

EVERY DOLLAR COUNTS! Ask your friends, family and co-workers to sponsor you. With just 30 people each collecting 10 pledges of \$10, we can raise \$3,000 for youth and family programs! Challenge other walkers to see who can collect the most pledges. All funds raised go directly into programs that promote health and safety in our community.

Raise at least \$10 to receive a 2015 TALK WALK t-shirt!

Call the Hillside Family Resource Center for more information at (414) 224-8815.
