Christian! On behalf of Saul and I, we would like to thank you for helping us move a step closer to our next goal in life. We had a wonderful experience working with you back in 2009 purchasing our first home (Saul and I were just kids) We just knew we had to work with you again to help us sell 5½ years later. We appreciate your honesty, professionalism and patience! Your commitment to help us sell is to be admired. You made it all happen so fast!!! We are still processing how quick that was. Thank you for not only answering our endless questions but for keeping us up to date with every detail of the whole process throughout every step of the way. With Saul and having hectic schedules, we definitely appreciate your communication and availability. Anyone who has sold a home knows how stressful this situation may be and believe me when I say... it was; however, as our agent you made us feel hopeful and confident that we were at the end of the tunnel and made this process much more smooth. We thank you for that moral support. We can genuinely say not many agents help clients the way you have helped us. Some agents forget they are humans, too stubborn trying to close a sale instead, they lack the show of support of their clients actual needs. Saul and I are unquestionably beyond grateful for your willingness to guide and assist us. In a heartbeat, we would recommend you to any family/friends that are ready to take the next step on buying or selling a home. We know without a doubt, they would be in good hands as we learned you go above and beyond for your clients. Saul and I are very excited to see what the future brings. Can't wait to start house hunting in the near future. So for the hundredth time... Thank you for everything Christian. We truly appreciate you 😊
