

Mrs. Karen Solomon a"h

The 2016 programs run by the Eishes Chayil Division of the St. Louis Kollel are sponsored by Bill Solomon in loving memory of his wife Karen a"h.

Karen was a terrific role model. She was upbeat, a great listener, extremely organized, loved learning in the Melton Program sponsored by CAJE and was a dedicated volunteer, especially as president of the St. Louis Chapter of Hadassah at the young age of 40 and as a Court Appointed Special Advocate (CASA), for which she received special recognition.

Karen was a considerate woman with a great sense of humor and very humble about her accomplishments. She never complained about being ill and succumbed to breast cancer in 2004.

May the benefits gained from the Eishes Chayil Programs serve as a merit for her soul and may she serve as a role model for all of us to emulate.
