Dating back to the 16th century, Dromoland Castle is perhaps the most famous baronial castle in Ireland. It is the ancestral home of the Barons of Inchiquin, a Gaelic family that are direct descendants of the High King of Ireland. Built of dark blue limestone, this regal setting will take you back in time. Today, as a luxury hotel, Dromoland offers exceptional amenities. From the moment you catch your first glimpse of the castle on the curved drive, you will enter into another realm. The classic interiors appear much like they did when lords called this place home and the well-appointed guest rooms are sure to make you feel like royalty during your stay.
