

The Tulsa Oilers are committed to the students of our local community, and this season we're expanding our involvement with numerous academic programs, including Grades for Blades. The Tulsa Oilers Grades for Blades program, with support from sponsors Omni Air International, Williams, and Dick's Sporting Goods, is our way of rewarding students each quarter for their hard work. We want to encourage students to study hard and improve (or maintain) their grades each term.

THE GRADES FOR BLADES PROGRAM IS COMPLETELY FREE FOR PARTICIPATING SCHOOLS!

Students who finish the quarter with a "B" average (3.0 GPA) or higher will receive a FREE ticket to an Oilers hockey game. Students who finish the quarter with a 4.0 GPA (all A's) will receive TWO FREE tickets. We'll also include a discounted ticket rate for additional tickets for family and friends. At the games, we'll recognize each school who had students earn Grades for Blades honors

Participating schools will be contacted at the end of each term, and must provide the Tulsa Oilers with a list of students eligible for Grades for Blades rewards. The Oilers will deliver ticket vouchers/certificates for the students to the schools. School staff will be responsible for distributing them.

**SPECIAL THANK YOU TO OUR GRADES FOR BLADES SPONSORS**
