

Community ASDIC Circle Fall 2015 Ten Sessions September 26 – December 12

ASDIC Metamorphosis is pleased to announce a community racial dialogue circle for Fall 2015. This reflective, interactive dialogue series is designed for those seeking to better understand the ways race and racism operate in our lives. ASDIC Circles enable greater clarity of thinking, strength of relationship, and effectiveness of action in addressing systemic racism.

Community ASDIC Circles, such as this one, are open to everyone. Each week participants gather to create a safe place for risk-taking, community formation, and acting with care and confidence.

The ASDIC Metamorphosis Program is led by Okogyeamon, PhD, and Margery Otto, JD, with skilled facilitators trained in ASDIC principles and methodology. You may read participant testimonials on our website, www.asdic-circle.org. ASDIC received the 2010 Facing Race Ambassadors Award, given by The Saint Paul Foundation, and the 2010 Touchstone Award for Inclusiveness, given by the Duluth Superior Area Community Foundation. ASDIC Circles are widely described as transformative in their impact on awareness and action.
