

VETERANS SUPPLY DRIVE

Help Support **Homes for the Brave** and Our Veterans!

Homes For The Brave, located in Bridgeport, helps veterans by providing temporary housing, meals, life skills coaching and job placement.

As an Eagle Scout Project, I will be partnering with Homes for the Brave to collect basic household items throughout the month of May to build baskets for our veterans. These supply baskets will be provided to our veterans as they prepare to move out of Homes for the Brave to transitional housing.
