

# **“Warm Up With a Good Book”, February 2016 Greenwood I Love to Read Calendar**

Join us in the month of February as we participate in Nation-wide I Love to Read Month at Greenwood. Of course we love reading all year long, but now is one time we celebrate together.

Activities listed are optional, but participation is encouraged as it's a great way to join together as a school community.

All month long, follow and add to the hashtag #GWREADS to make book recommendations to other awesome readers at Greenwood and beyond!

**GO, GRIZZLIES!
