The Southborough Library Fund:
Toward the Next 100 Years

November 15, 2011

This year, the Southborough Library celebrates 100 years at its current location in the center of our community. We eagerly anticipate that in the next century, the library will continue to serve as the intellectual, cultural, and social center of our town.

The Library faces both challenges and opportunities as we look ahead. The growth of our community, the evolving information needs of our patrons, and rapid changes in technology will stretch resources beyond our operating budget.

You have told us that you value a variety of materials, a wealth of media offerings, more comfortable and quieter reading areas, as well as community-focused programs and new learning activities. Yet our ability to provide these services is restricted by our aging facility prone to flooding, with limited space and outdated design.

To ensure that the Southborough Library remains a vital asset to our community, the Library Trustees have established the Southborough Library Fund, a non-profit, tax-exempt fund under the umbrella of the Community Foundation of North Central Massachusetts. Our goal is to raise $40,000 by January 31, 2012 to fund a planning study for the future needs of the Library.

Please help us reach our goal by making a tax-deductible contribution today. Supporters donating $500 or more will be recognized on a Founding Members plaque in the Library.

Through your generosity and patronage, you have made the Library the center for life-long learning in the community for the last century. With your help, it will continue to be, well into the next century.

Thank you from the Southborough Library Fund Steering Committee,

Jane Smith   Margarite Landry
Judy Budz   Richard Wallace
Betsy Rosenbloom  Nancy Mayo
