

ADVANCING PREVENTION PROJECT

Webinar: Implementing a Comprehensive Approach To Suicide Prevention

When: Tuesday, July 14th, 1 pm-2:30 EDT

Who is the Audience: Staff from Local Health Departments (LHD), Hospitals, Local Governmental Units (LGU), and Community-Based Organizations.

Learning Objectives: After participating in the webinar, you will -

- Increase your understanding of the seven components of a comprehensive approach to suicide prevention
- Clarify your roles in preventing suicides
- Be able to adapt the evidence-based interventions for your community
- Learn how to evaluate your approach to assess progress
- Identify at least two technical support resources

Presenters: Staff from the Suicide Prevention Center of New York State, and three local practitioners. Materials and information on the presenters will be available before the webinar. Webinar link will be sent to you once you register.

Register by: Monday, July 13, 2015 at the following link to sign up today at <http://tinyurl.com/July14-webinar>

This webinar on Suicide Prevention is the first in a series of webinars on the mental health and substance abuse focus areas of the NYS Prevention Agenda. Each webinar will be followed up with opportunities for LHDs to participate in one-on-one technical assistance from content experts.
