

ADA WITH CONSTRUCTION EXAMPLES

MAY 25, 2016 • 9:00 AM - 3:00 PM

City of Joplin City Council Chambers - 5th Floor
602 S. Main, Joplin, MO 64801

REGISTER BY: 05/20/16 - LUNCH WILL BE PROVIDED

SCHOLAR'S LEVEL II ELECTIVE COURSE

COURSE DESCRIPTION:

This training provides participants with a basic understanding of ADA information needed to construct sidewalks and curb ramps on public rights-of-way that are compliant. The class briefly discusses laws relating to accessibility and published guidance. The focus of this course is more on constructability and compliance issues and less on the legal background. The MoDOT ADA Checklist has been recommended as a FHWA Best Practice for ADA projects and is now used on LPA projects as well as on MoDOT projects. Attendees will view photos of real-life examples of good and bad ADA installations. *Lunch is provided with this training.*
