**KELLEY CONSTRUCTION INC NAMED NUMBER ONE GENERAL CONTRACTING FIRM IN GREATER LOUISVILLE AREA BY BUSINESS FIRST**

**Annual List Ranks General Contracting Firms in Greater Louisville Area Based on Revenue**

**Louisville, KY - June 2, 2014** - Kelley Construction Inc. ([www.kelleyconstruction.com](http://www.kelleyconstruction.com)), a national multi-faceted commercial and industrial construction management and general contracting firm, announced today being named the number one general contractor in Louisville by *The List: General Contractors*. The List is an annual exclusive ranking of Louisville's top general contracting firms by Business First.

In business for over three decades, Kelley Construction provides a diverse range of general contracting needs nationally, to a wide array of industries that includes: Commercial, Food service, Healthcare, Industrial, and Petroleum and Energy markets.

"My father started this company over 35 years ago from a single desk... to see where we are today is awe-inspiring but it truly speaks volumes to our unrelenting commitment to the quality and excellent service we provide for our clients," said Joe Kelley, CEO of Kelley Construction. "Throughout the past few decades our company has grown considerably and 2013 was no different - we reached a record year in revenue and continued to expand our clientele base."

Companies were ranked according to their revenue growth. Kelley Construction ranked #1 overall, up from the #4 spot in 2013. The company continues to show impressive growth.

Added Kelley, "We couldn't be more grateful for the growth we experience year-after-year. It's because of our clients that we are where we are today. We are truly proud to be ranked the largest general contractor in Louisville and we're incredibly thankful for all of the customers we have worked with - and

continue to do business with - each and every year. They are the reason why we push to be the best in everything we do."

*The List: General Contractors* was unveiled on May 30, 2014. Complete results can be found here: <http://www.bizjournals.com/louisville/subscriber-only/2014/05/30/general-contractors.html>.
