MESSAGE FROM THE PRESIDENT

NAR Requires State and Local Associations to comply with new Organizational Standards.

There is something said about being professional and the National Association of REALTORS® believes that if Local Associations have higher standards, then their members will. Each year, Local Associations will report to their State Associations what they have done to comply. This will require some changes for GLAR and more being done in some areas. GLAR is well on its way to comply with some additions.

How will this affect you, the Member? You will need to be supportive of the additional items GLAR will have to do and be prepared to lend a hand when asked.

The New "Organizational Standards" are:

1.) Code of Ethics Education and enforcement
2.) Advocacy (participate in Calls for Action; meet your fair share)
3.) Consumer Outreach (promote the value of using a REALTOR®; Education, Market Data)
4.) Organizational Unification (access to legal counsel, 3 Way Agreement value proposition, maintain and review strategic plan)
5.) Technology (maintain a website with links to other levels of the Association)
6.) Financial solvency (meet minimum financial performance)

As I said, GLAR is on its way to comply. Your Board of Directors will continually review these standards with staff and be sure that GLAR is in compliance. The date for compliance is June 30, 2015. We'll keep you posted!

Have a Happy and Safe July 4th Holiday!!

LETTER FROM YOUR CEO

The GLAR Special Events Committee sponsored a Picnic in the Park in June.
A "Big Thank You" to Laurie Whitlow, Becky Butcher, Malissa Tandeski, Carolyn Olson, Linda Steffen, Janie Weston, and Mike Koop, who grilled the fabulous brats and hotdogs. It was a wonderful day for a picnic and the food was fantastic! Thanks to all who attended!

Andy Isackson - Consolidated Telecommunications Company

CTC- Setting the standard for Technology in the Brainerd Lakes Area

With technological advances shaping the future of our lives, CTC is setting the standard in Telecommunications for the Brainerd Lakes Area. CTC is continuing to improve services in our rural areas by installing fiber optics and new access equipment which will deliver higher Internet speeds and more Digital TV options to complement our Local Phone Service offering.

With the first and only fiber optic ring throughout the Brainerd, Baxter and Nisswa areas, CTC is delivering the latest technology over our fiber to the home or business. With fiber optic technology we deliver Digital TV, High Speed Internet, and Local Phone Service. Soon CTC will be looking to offer some homes in the Brainerd Lakes Area the capability of having Internet speeds up to 1Gig (or 1,000M). As higher Internet speeds and home entertainment become more streamlined in our day to day lives, CTC has the state-of-the-art network to lead the way for the future. With offices right here in Brainerd, Baxter, and Crosby, you will always have the same home town support you’re accustomed to getting with CTC for the past 60+ years.

So why Fiber Optics for your home?

- Fiber Optics offers unlimited bandwidth potential.
- Fiber Optics is an investment in your property. Fiber is so “Future-Ready” the line will retain its value upon a resale of your house.
- Full TV features. CTCTV offers interactive apps for your TV, Whole-Home DVR, over 85 channels in HD, and TV Everywhere which allows you to watch CTCTV on any device where you have an Internet connection.

WHY RPAC?

RPAC is looking out for the best interest of us as REALTORS® and for the protection of private property and homeownership rights for our customers. Through our RPAC donation we help in the continued fight. Preserving and protecting the Mortgage Interest Deduction, driving the development of ordinances at the local level, and working to get REALTOR® friendly lawmakers elected at the local, state, and federal level.

We are so close to our goal set by the state that if you have not taken the time to donate, NOW is the time.

Recent REALTOR® Party Successes at the Local Level:

- Working with Cass and Aitkin County Leadership to draft septic ordinances that won’t unduly inhibit property transfer.
- Continued support of Minnesota Homes Matters, a proactive campaign in support of the Mortgage Interest Deduction.

Contributions from LLCs (on LLC checks or using an LLC credit card) are not acceptable by MN-RPAC and will be allocated 100% to National RPAC. Contributions are not deductible for income tax purposes. Contributions to RPAC are voluntary and are used for political purposes. You may contribute more or less than the suggested amount. You may refuse to contribute without reprisal, and the National Association of REALTORS® or any of its state associations or local associations will not favor or disfavor any member because of the amount contributed. Of each contribution, 70% is used by your state PAC to support state and local political candidates. Until your state PAC reaches its RPAC goal, 30% is sent to National RPAC to support federal candidates and is charged against your limits under 2 U.S.C. 441a. After the state PRAC reaches its RPAC goal it may elect to retain your entire contribution for use in supporting state and local candidates. For further information concerning RPAC contributions, please contact Chris Galler, RPAC Treasurer at cgaller@mnrealtor.com.
