

CU Medical Students need host families

Want to earn extra income while helping future healthcare professionals? Medical students from CU Anschutz complete 1-3 month rotations around the state. During this time, they live, eat, work, study, and get to know your community.

Benefits of hosting include:

- Setting your own schedule
- Having pre-screened tenants
- Making an impact on future healthcare professionals

Contact: Mark Lanning
mark@centralcoahec.org (preferred) or
(720) 863-8199

Healthcare professions include:

- Medical Doctors
- Osteopathic Doctors
- Registered Nurses
- Physical Therapy
- Nurse Practitioners
- Pharmacists

Earn \$15.00/day

Host homes should, have a spare private bedroom with a lock, operational fire detector, and a love of students. Students are OK sharing a bathroom and are asked to bring their own pots/pans , towels, and linens if needed.
