

PROJECT: FUTURE

Powering the Future of Health Care Together

Your future is waiting. Build yours at HM Health Solutions.

Spend the day with HM Health Solutions and learn more about what makes us a great company. Innovative people drive our company and we're searching for top talent that will contribute to our successes. Are you ready to power the future of health care with us?

What's in it for you:

Our Company

Learn more about our unique collaborative culture, our emphasis on promoting a healthy lifestyle and other benefits of being an HM Health Solutions employee.

Career Opportunities

Network with our employees about what it's like to work at HM Health Solutions. Learn about entry-level positions, our Rotation Program and internships.

Agile and Application Development

Discover how we use Agile methodology and Scrum teams to manage different aspects of application development and project management lifecycles.

Keynote Speakers

Gain valuable insight from our leaders on the importance of information security, as well as our growing Consulting Services workforce. Both areas are key components in delivering cutting edge solutions and capabilities for our customers.

Who:

Graduating seniors and postgraduate students

When:

March 18, 2016
