Moog designs and manufactures high-end technical components on a global scale. The work we do matters, as does every single person who works with us.

Accountant

Do you:

- Enjoy being a part of a team?
- Want to develop your skills and achieve success?
- Value working with people who trust and respect you?

We are looking for a methodical, highly-organized, and motivated team member, who will enjoy maintaining and distributing various monthly reports and assisting in the monthly financial close process. You will also be responsible for assisting with annual asset inventory analysis and creating and processing journal entries as needed. In the Accountant role you will be responsible for the processing of non-purchase order related invoices and employee expense/travel reimbursement forms as well as other accounts payable duties as assigned.

You will need:

- A four year or two year degree in Accounting/Business Finance.
- A clear understanding of GAAP.
- To be attentive to details and have the ability to adhere to schedules.
- To have excellent problem solving and analytical skills.
- To be assertive, well organized, and proficient with Microsoft Office products.
- The ability to work with little supervision and be self-motivated.

U.S. citizen or permanent resident status is required.

EOE/AA Minority/Female/Disability/Veteran
